Arlington, VA 22202**

The Applicant request entry of the substitute specification without claims or an abstract as permitted in 37 C.F.R. 1.125(b) for consideration in connection with and prior to the examination of the above-identified patent application. By this document, the Applicant has amended the specification to correct typographical errors and add Sequence Identification Numbers to correspond to the submission of a Sequence Listing. Therefore, the Applicant has added no new matter by entry of the attached substitute specification.

The specific changes to the substitute specification are shown with the insertions underlined and in bold while the deletions are designated with a strikethrough.

Application No. : 10/057,789
Filed : January 25, 2002

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
